

Welcome, Visitors!

Information about our church and ministries is available on the Welcome Table near the main doors. Standing nearby are church members who will be happy to answer your questions. Interested in joining the church? Our next Membership Exploration will be April 11, 2018.

For the convenience of those who need to leave the Sanctuary during worship, the service is video broadcast in the Chapel, Upper Lounge and Nursery.

Large-print bulletins are available. Please ask the ushers for a copy.

Children in Worship

Child care for infants and toddlers is available in the Children, Youth and Family Center. The Family Worship Area is open during service for children ages 3-10.

Sensory Boxes

First Congregational offers Sensory Boxes for any of our friends on the autism spectrum – adult or child. These boxes are filled with “fidgets” galore, headphones and much more. Please let us know if you or a loved one needs one of these tools.

Donating to First Congregational UCC

If you are enrolled in automatic contributions, you may still participate in the weekly offering by submitting a Giving Card, found in the pews. We encourage members and friends of First Congregational to assist us in planning our budget by pledging each year. Pledge cards are available in the pews and may be placed in the offering plates at any time.

Leader: Lent calls us to journey, following Jesus wherever he leads us.

People: Lent calls us to journey to the place where God covenants with us and claims us as God's own.

Leader: Lent calls us to worship together, to listen for God's good news across the generations.

People: Lent calls us to practice justice, to bring God's hope to all people.

Leader: Lent calls us to faithful living, to trust the One who gives us life.

People: Lent calls each of us to take up our cross, to trust the One who bears it with us.

All: Let us worship God, who walks with us, this and every day.

*PROCESSIONAL HYMN #102

Guide Me, O Thou Great Jehovah

CWM RHONDDA

*PRAYER OF CONFESSION

O God, it is so easy to praise you when we are in the company of others who praise you too. But in times of stress, we look for scapegoats for our anger. We betray those we love and who have loved us. We turn against you. We say we are too busy to seek you. We are too self-centered to obey you. Your compassion is without bounds, O God. You forgive us again and again. You restore us to a right spirit. God of steadfast love, teach us how to be steadfast and true, through Jesus Christ we pray, Amen.

Pastor's Message

We Have the Children

I'm writing this on my way to St. Louis for the Annual Gathering of "CHHSM" – the United Church of Christ's Council on Health and Human Service Ministries. CHHSM is comprised of 70+ member agencies offering services ranging from adoption and child daycare, to affordable housing, healthcare and senior services. Each of these agencies has its origin story in the commitment of a particular local church, to address the needs of its immediate community. Many of these agencies are leaders in their field of service. They are the church, truly at work in the world around us. (see www.chhsm.org for more information about CHHSM ministries).

Rev. Louis Edward Nollau is often considered the "forefather" of health and human service ministry in our UCC tradition. He arrived in St. Louis in the 1800's from Germany. When his plans to travel west for missionary service were thwarted, he became pastor of a local church. An epidemic of cholera struck the region. Many children were orphaned as a result. Nollau appealed to his church leadership to take these children in. His church council responded, "But we don't have the resources for that." Rev. Nollau replied, "Yes, but we have the children." It wasn't long before the church found a way to serve those children and many more in their community.

Nollau's spirit of willingness, persistence and innovation was exactly what was needed in what must have been a very anxious time and place. I'm reminded of Nollau's reply, "...we have the children," as we listen for the voices of high school students in Parkland, FL. after the most recent mass school shooting, the voices of students in the Kerio Valley crying out for intervention against tribal violence, the voices of those who speak out against sexual abuse and the mistreatment of women, those who persist in the #BlackLivesMatter movement, and many others. Their voices are rising up, too often met by the "we can'ts" and "we won'ts" of those in positions of power.

What about the church? How might Nollau's persistence inform our response to those around us? It gives me such hope to see what our UCC ministries are accomplishing across this country through CHHSM, even as many of you inspire me with your commitment to mission and outreach in the Fox Valley. We may not always have the resources we wish for, but we do have the children. May God bless us with open ears, open hearts and open minds as we listen for their voices.

Your friend and fellow minister, Pastor Kathryn Kuhn

Opportunity for Member Input

The Building
Study Task Force

of First Congregational UCC-Appleton was established as part of a recommendation from the Horizon team's efforts. The team has been hard at work since November 1, 2017. We are happy to announce that we will be conducting presentations to the congregation **during services on March 18** to share our journey so far and the work we've done. You will have an opportunity during worship to fill out a member survey. On the same day, we will also be holding listening sessions in the Chapel after each service. Come find out what we've been up to and take the opportunity to get involved by filling out a survey or chatting with a member of the Task Force during the listening sessions. For members who are not able to attend service on March 18, the survey will be available online via the church's website and Facebook page. We will be conducting a second session during worship services on April 15 where we will present information regarding the survey results. Watch the Open Door for more details.

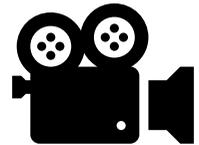

Fun, Fellowship, and Food

Are you looking for ways to connect with other First Congo members? We are too! What better way to get to know each other than at the dinner table. We're organizing a "dining fellowship," where members would meet in each other's homes three to four times a year, in groups of seven or eight (adults only this time). Everyone would contribute some portion of a pre-planned menu; cost would be shared equally among participants. Sign up in the gathering area if you want to know more or contact Dan and Cheryl Nisler at 540-6046 or Doug and Pat Nelson at 731-4693 or the church office at 733-7393. An organizational meeting will be held the evening of Friday, April 6 at the home of Doug and Pat Nelson (125 E. McArthur St., 54911). Bring an appetizer and a beverage, and we'll see you there! There is a sign-up sheet in the Narthex.

First Congo's Documentary Project

Jonathan Steffen, our Technology Coordinator, is creating a documentary about First Congo's building for its 50th anniversary! If anyone has any fun stories, cool photos or videos, or any information to share on the history of the building, feel free to reach out to Jonathan at <http://www.firstcongoappleton.org/contact/Jonathan%20Steffen> Thanks!

Tuesday Yoga (All Levels)

This class has been led by Bev Payne for the last 3.5 years. It offers traditional Hatha Yoga that is slower and more meditative, focusing on building and strengthening muscle, increasing joint mobility and increasing bone. You will experience a level of mindfulness which allows for a deeper connection and appreciation for your body, improves mood and improves sleep. Yoga is for everyone and all levels are accepted. The cost is \$42.00 for a 6-week session or a \$10.00 drop in rate. A yoga mat, strap, and block are required. **FIRST CLASS IS FREE.** This happens every Tuesday from 4:15-5:15 PM at First Congo in Fellowship Hall.

Worship and Music

A diverse community practicing faith, finding spiritual connection and experiencing the Holy through artful sound.

Wherever You Go: The Story of Ruth Save the Date!

Wherever You Go: The Story of Ruth, this year's intergenerational musical, is deep into rehearsal in preparation for our March 10 and 11 performances. The cast of more than 40 has been working hard to share with the congregation the story of a broken family healed by fidelity, faith, and God's presence. You will be able to

see the results of their hard work on Saturday evening, March 10 at 7:00 PM or Sunday, March 11, during the 10:30 AM worship service.

On Saturday evening before the performance our high school mission trippers will host a Pig Roast Dinner to help them raise funds for their trip to Pine Ridge, SD. Come enjoy an Apple Cider Hickory Smoked Pig, live Bluegrass music and a silent auction. The dinner starts at 5:00 PM and will be served until 6:45 PM with the performance starting at 7:00 PM.

Mission and Service

Building relationships, serving others, pursuing justice.

Back Bay Mission Trip Items Needed

Those of us headed to Back Bay Mission in March would like to take some things we think their clients could use. Please help us fill the box in the narthex with donations of **nutrition/protein bars** and **travel-sized toothpaste**.

On previous trips to Back Bay Mission, we personally saw a big need for nutrition bars (e.g. Balance, Special K, or Power bars - the types with protein) and travel-size toothpaste. Clients of the day shelter come in in the morning and receive a snack while waiting for a

shower. The “snack” is probably the only food they have until lunch – which is a two-mile walk away. And the folks just aren’t able to carry a full-size tube of toothpaste around. So we would like to emphasize those - but we will gladly take anything on the Back Bay Wish List posted on the box. Please bring donations by March 14. P.S. If you have a Thrivent account and have not earmarked your Action Grant for something this year, that \$250 could help us collect even more items for Back Bay Mission. Contact Nancy Brown-Koeller for questions about a Thrivent Action Grant.

Help the Homeless Hygiene Drive

February 18-March 11,
2018

We will be collecting NEW hygiene and cleaning items for local crisis agencies through The Family radio’s annual “Help for the Homeless” hygiene drive being held February 19 – March 12. Please place your donations in the *Help for the Homeless* collection box located in the main gathering area by March 12. Supplying these items to local shelters will help them direct their limited funds to providing qualified staff, counseling, food and shelter to those they serve. Most urgently needed items are cleaning supplies, laundry soap, garbage bags, dental and hair care, baby diapers, paper products, and feminine care. This drive takes place in 15 communities such as, Appleton/Fox Cities, Chilton, Fond Du Lac, and many others, but **your donations**

will remain in this community. We will also accept cash donations, which will be used to buy gift cards for the agencies to buy hygiene products. Note: Food Share (formerly Food Stamps) does not cover the cost of non-food items such as soap and diapers. For more information, visit thefamily.net or contact Heidi Prahel at heidip@thefamily.net or (920) 749-9364. Thank you!

Pine Ridge Reservation Intergenerational Mission Trip, August 10-17, 2018

Pine Ridge Indian Reservation is located in one of the poorest and neediest counties in the US. Re-Member, a non-profit located on the reservation, has been making a difference family by family for almost twenty years. Re-Member organizes volunteers to participate in work projects to improve the quality of reservation life and to rebuild homes and relationships. Work projects include: insulating mobile homes, constructing bunk beds, making outhouses, building accessible entries to homes, and roofing homes. Volunteers get on-the-job instruction (most volunteers have little or no experience as handy persons) and considerable time getting to know Pine Ridge residents and the Lakota culture.

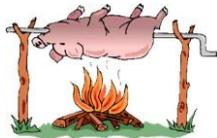

We have reserved spaces for a mission trip scheduled for August 11 to August 18. Re-Member asks that we confirm attendees before April, so please let us know if you are thinking of going on this intergenerational mission (children 12 or

older may attend with a parent or guardian).
Need more information? There will be an informational meeting between Sunday church services on March 4 in the chapel. You may also contact Eilene Hoft-March at Eilene.Hoft-March@lawrence.edu or 920 735-0166.

Wilderness/Outdoor Survey Follow Up

Thanks to all ninety-seven people who filled out the wilderness and outdoor survey. At first glance, I wanted to share

14

some of the (highly varied) feedback. First, this ministry will strive to be inclusive of all ages, experience levels, and physical abilities. Second, for those who are interested in wilderness travel, the Boundary Waters clearly tops the list. Third, there is strong interest in retreat-center or lodge based outdoor experiences that included fellowship and structured meditation, prayer, and outside activities. Fourth, there is energy around the destination to travel that is mostly backpacking related. Lastly, it was clear that many people need at least a year notice to be able to make arrangements.

I am in the process of forming a "steering committee" to help interpret this feedback and guide the ministry in the coming years. In the fall of 2018 we will make available a multi-year calendar with clear sign-up procedures and trip information. In the meantime, thanks for your help in formulating this ministry which has the three-fold purpose of promoting outdoor education, providing spiritual enrichment, and having fun through deepening our fellowship with one another.

-Pastor Nick
