

Adult Boundary Waters Canoe Trip 2019

Who: All adults of FCUCC

When: Sunday, September 8-Saturday, September 14

Where: Boundary Waters Canoe Area

Why: Because we all long to meet God in God's creation!

Cost: \$917.00 per person, plus travel money. Application Only. (Scholarships Available)

LIMIT: 8

We hope to miss both the crowds and the bugs, on this later summer, early fall trip in the BWCA. This is a spectacular opportunity to learn wilderness travel, develop your understanding of God's creation, and deepen church relationships. You are welcome to invite a friend, family member, spouse, or sign up solo. Participants who are interested should expect to work hard, have fun, spend structured time developing their faith, and see some of the most wild and beautiful lake country imaginable.

The Boundary Waters Canoe Area (BWCA) is in Northern Minnesota adjoining the Canadian border. The park covers 1,000,000-plus acres and contains over 1,500 miles of canoe trails, with more than 2,000 campsites. The BWCA is true wilderness and we will travel "off the grid" for about one week. Our final route will be determined after the group forms. You will be outfitted with premium canoeing gear. Our meals will consist of Backpackers pantry along with honey cured Broadbent Kentucky ham products, and other fresh ingredients.

We will depart on a Sunday and return on a Saturday by dinner. Each person must complete an application for consideration. Scholarships available. You will need to bring money for food on travel days. We will be carpooling to save money. Parking is free at Seagull Outfitters.
