

## **A GIFT HAS BEEN GIVEN IN YOUR HONOR**

### **A Donation to Re-Member, Pine Ridge, SD**

Pine Ridge Indian Reservation, South Dakota, is another world within these United States. Telling statistics indicate the difference: unemployment is over 80%, the alcoholism rate is as high, the rates of diabetes and tuberculosis are eight times the national rates, and teen suicide is four times the national rate. Life expectancy at Pine Ridge is the second lowest in the Western hemisphere.

Re-Member is a nonprofit organization that engages volunteers in understanding life on the reservation and in work projects that improve the quality of life for the families of Pine Ridge. The donation given in your honor will help fund Re-Member's important work.
